Annex to the letter dated 16 June 2006 from the Permanent Representative of Timor-Leste to the United Nations addressed to the Secretary-General

Letter dated 5 June 2006 from the Minister for Foreign Affairs and Cooperation and Minister for Defence of Timor-Leste to the Special Representative of the Secretary-General for Timor-Leste on the investigation into the security incidents of 28-29 April and 25 May 2006

I refer to your letter dated 28 May 2006 to Prime Minister Mari Alkatiri, copied to me, requesting that investigations be carried out into the incident that took place on 25 May when the headquarters of the Timorese national police was attacked by the Forcas Armadas de Defesa de Timor-Leste, resulting in the death of 10 national police officers and the injury of 27, including 2 United Nations police officers.

The Office of the Prosecutor-General has commenced an investigation into the incident. Therefore, please make available any testimonies, any autopsy records and any other material evidence to the Office of the Prosecutor-General. It would also be appreciated if the United Nations could provide the Prosecutor-General's Office with additional human and material resources to enable the Office to carry out its investigations into the incidents that took place on 25 May as well as on 28-29 April in the Tasi Tolo area. In view of the significance of this request, I would be grateful if it could be brought to the attention of the Secretary-General and the Security Council.
